1. DYPIU EXAMINATIONS:

Introduction:

DYPIU has taken several initiatives to ensure better standards and improve accuracy, efficiency and transparency in the various steps involved in the conduct of Examinations, Evaluation and declaration of results of examinations.

- **The entire examination process is Student Centric and Driven by the Faculty.**
- **The Faculty is central to the System and represents a true Student-Teacher Mentorship.**

2. Academic Calendar

- The academic session is divided into two semesters each of approximately 15 weeks duration: Monsoon Semester (July - December), Winter Semester (January - June)
- The schedule of academic activities for a session, inclusive of dates for registration, mid – semester and end - semester examinations, inter - semester breaks etc., are laid down in the Academic Calendar for the session and is informed to all before the commencement of the semester.
- Exam slots are indicated in the Academic Calendar. The Detailed Examination Time- Table would be available 10 days before the Examination.

3. Exam Schedules:

- There is an end Term examination at the end of every semester in May and in December.
- The schedule is considered at the beginning of every Semester and is indicated in the University Level Academic Calendar.
- Regular Exams of the particular semester are placed in one week slot at the end of the semester.
- Supplementary and Backlog Exams are placed after a week once the Regular Exam results are declared.
- Regular Exams - May 1st Week
- Supplementary and Backlog Exams - May 4th Week
- Regular Exams - Dec 2nd Week
- Supplementary and Backlog Exams - Jan 1st Week

4. Evaluation System:

- The Evaluation Scheme for each course shall be announced in class within one calendar week of the first class held.
- The Difficulty level of Evaluation is generally maintained as 30:50:20, i.e.,
 - 30% - level of Difficulty high
 - 50% - level of Difficulty moderate
 - 20% - level of Difficulty low

5. Concurrent Evaluation:

- Concurrent Evaluation for each course would be continuous. Every Subject teacher would communicate the Evaluation Criteria along with the marking scheme of the particular subject within one calendar week of the first class held.
- The course work requirements can be different for every degree course. The requirements would be detailed out it respect to the curriculum and syllabi for each of the disciplines.
- Each and every Attribute of Concurrent Evaluation should be considered significantly and contribute towards the total grades obtained by the student. The attendance for the assessments shall be compulsory.
- The Components considered for Assessment can be a combination of any of the following depending on the convenience of the Course, Subject and Subject Teacher. It may be noted that the list mentioned is not exhaustive:
 - Written Assignments

- Individual or Group Projects and Presentations
- Mini and major Research Projects, etc.
- The students get a direct process feedback of the submissions.
- The assessed submissions, Evaluation Records can be made available for viewing of the students on demand and the Evaluation Scores shall be informed to the students.
- Students should report immediately (within 15 days) to the Subject Teacher for any grievances regarding submissions, assignments, and scores.

6. Mid Term Examination

- The Midterm Examination may be conducted either in any mode, online or written, based on the nature of the subject and at the discretion of the concerned faculty.
- The Syllabus, Marking Scheme, Format of the Question paper and Schedule for the Midterm Examination shall be informed to the students in the first week of commencement of the semester.
- Unit 1 and 2 are considered for Mid Term.
- The difficulty level of question Papers is generally maintained as specified above.
- The marks for each test shall be communicated to the students.

7. End term Examinations:

- Examinations shall be conducted at the end of each Semester as per the Academic Calendar notified by DYPIU.
- More emphasis on Unit 3, 4 5 and 6 and lesser on 1 and 2.
- The Detailed End Term Examination Timetables would be available 10 days before the Examination.
- The Theory written Examinations of all the courses are conducted at one time.

8. Supplementary Exams:

- The concept of Supplementary Exams was introduced with an objective to provide a chance for the students who couldn't make it in the regular Exams due to any reason.
- They are conducted twice a year a week after the Declaration of Regular Examination results.

9. Backlog Exams:

Odd semester Backlogs would be conducted in Odd Semester and Even semester Backlogs would be conducted in Even Semester.

10. Special Backlog Exams:

- Special Backlog Exams will be conducted **exclusively for final-year students** after the completion of all semester Examinations. This initiative offers an **additional opportunity to clear pending backlogs** and ensures that students do not lose the academic year, enabling them to be **eligible for the award of the degree**.
- The Backlog Registration Link would be shared with all the students on mail.
- Only Registered students are allowed to appear for Backlogs.

11. Practical Examination:

- Practical examination slots are informed in advance in the Academic Calendar.
- Detailed Practical Exam Schedule would be informed by the School a week before the Examinations.
- Students must appear as per the **allotted schedule**.
- **100% minimum attendance** in lab sessions is mandatory to be eligible for the practical exam.
- Practical exams will be conducted by a **panel comprising internal and external examiners**.

12. Eligibility Criteria for Appearing in the End Term Examination

To be eligible for the End Term Examination, a student must fulfill the following criteria:

1. **Fee Clearance**

- Students with **pending fees** will **not be allowed** to appear in any examination.

2. Attendance

- A **minimum of 75% attendance** is mandatory in each course.

3. Concurrent Evaluation

- The student must **pass the internal assessments**, with a **minimum of 40% marks**.

4. Practical Examination

- **100% attendance** in practical/lab sessions is compulsory.
- The student must **secure at least 40% marks** to pass the Practical Examination.

A student who fails in the concurrent Evaluation and Practical Examination will not be permitted to appear for the End Term Theory Examination of that subject.

13. Registration for the Semesters and all the Examinations :

- It is necessary for all the students to register for Every Semester to Grant the term by filling a Registration Form and paying the prescribed Fees.
- It is necessary for all the students to register for Regular, Supplementary and Backlog Examinations by filling a Registration Form and paying the prescribed Fees.
- All the Registration Forms will be shared with all on the official mail ID/Juno.
- Unregistered students would not be allowed for the Examinations.
- The Schools will decide the Eligibility of the Student to appear for the Exams based on the Eligibility Criteria.
- Not eligible students for any of the criteria above are not allowed to participate in any activities organized by the University.

14. Unfair Means and Mal Practices in the Examination:

- All the students should strictly follow the instructions provided for the conduct during the Examinations.
- Failing which they would have to face various levels of serious consequences up to getting expelled based on the severity of the problem. The University decision would be abiding in this case.
- Any misbehavior with the staff or Faculty or other students will not be strictly tolerated.
- **As per the University policy:**
- **All the copy cases would be marked zero irrespective of whatever they have attempted.**

- They are not allowed to appear for the Supplementary Exams and will appear directly for Backlogs whenever scheduled next.
- Depending on the severity of the case, actions will be taken on a case-to-case basis, with stricter measures applied for more serious violations.

15. Display of Answer sheets:

- The Assessed Answer sheets are kept for display to all students, students are allowed to see Assessed Answer sheets of all the subjects as per the schedule informed in advance before the Results are declared.
- Also students are allowed to write his comments if they have any doubts about the Marking System.
- These comments are considered for the Moderation Process of the Answer sheets.
- However, the provided marks may or may not change depending on the judgment of the Faculty Moderator.
- **Most importantly, students must review their evaluated answer sheets and provide their signature on the attendance sheet and the Answer sheet as confirmation. This serves as a record that they have seen and acknowledged their marks. Till then their Results would be withheld.**

16. Results/Grades Grievances:

If you have any concerns regarding your results, please follow the steps below:

1. First, contact your **respective subject teacher** for clarification.
2. If needed, escalate the matter to your **School Examination Coordinator**.
3. Further concerns may be taken to the **Director of the School**.
4. If the issue remains unresolved, you may then approach the **Controller of Examinations (COE)**.

We encourage you to approach the matter with an **open and constructive mindset**. In most cases, discussions with faculty help clarify doubts and resolve issues positively without the need for formal revaluation.

- Any grievances regarding Grades should be reported within **15 days of declaration of Results**.
- All the communication should be carried out through official mail Id only by keeping all the people mentioned above in CC.

- So keeping the Mail ID open is the students' responsibility. If you are not getting the mails then contact the systems department and get it started immediately.
- The Examination Cell will not be responsible for any loss of information if your mail ID is not working.
- **All the concurrent, Projects, internships, Practicals, Grievances would be handled at the School level.**

17. Revaluation:

If your concern still persists after following this process, you may apply for **revaluation** once the revaluation form is made available **after the Supplementary Examinations**.

- The revaluation forms will be released after the supplementary/backlog exams. Students are required to register for revaluation and ensure all the details are filled in accurately.
- **Forms that are improperly filled, incomplete, or create confusion—such as incorrect semester details, subject codes, subject names, or inappropriate/incomplete payments—will be disqualified.**
- If you have any doubts or queries while filling the form, please contact your **School Examination Coordinator** or the **Exam Cell** for assistance.
- **The Revaluation process is as follows:**
 - The papers are masked and sent to another Faculty.
 - The faculty member assesses the papers and informs the Exam Cell of the updates.
 - You will be informed of the updates via your official email.
 - The assessment submitted after revaluation will be considered final, even if the grades are lower than the previous grades.
 - No arguments will be entertained after the process, and there will be no further scope for any additional processes.

18. Grading System:

The students will be awarded grades using relative grading in a course and result cards will show individual course grades, the course credits and the overall weighted performance indices such as SGPA (Semester Grade Point Average) and CGPA (Cumulative Grade Point Average).

19. Grade Points:

Currently the university follows a 0 to 10 point grading scheme.

The current grading scheme followed with detailed explanations is given in the following table,

Letter Grade	Points/meaning
A+	10
A	9
B+	8
B	7
C+	6
C	5
D	4
F	0
I	Incomplete
R	Result Withheld
Absent	Absent

The grade point will be given on the total marks (sum of mark obtained in Concurrent Evaluation, Practical's and End Term examination) obtained in the said subject.

The 'I' (Incomplete) grade will automatically be converted to a 'Fail' if the updated grade is not reported within 15 days.

The CGPA is rounded up to two decimal places.

The SGPA/CGPA for any student shall be calculated as following:

SGPA Calculations: Semester Grade Point Average:

$$SGPA = \frac{\text{Total earned grade points for the semester}}{\text{Total credits for the semester}}$$

CGPA Calculations: Cumulative Grade Point Average:

$$CGPA = \frac{\text{Total of Earned Points of all the semesters}}{\text{Total of Credits of all the semesters}}$$

Percentage Score equivalent to the SGPA/CGPA = (SGPA/CGPA) * 10

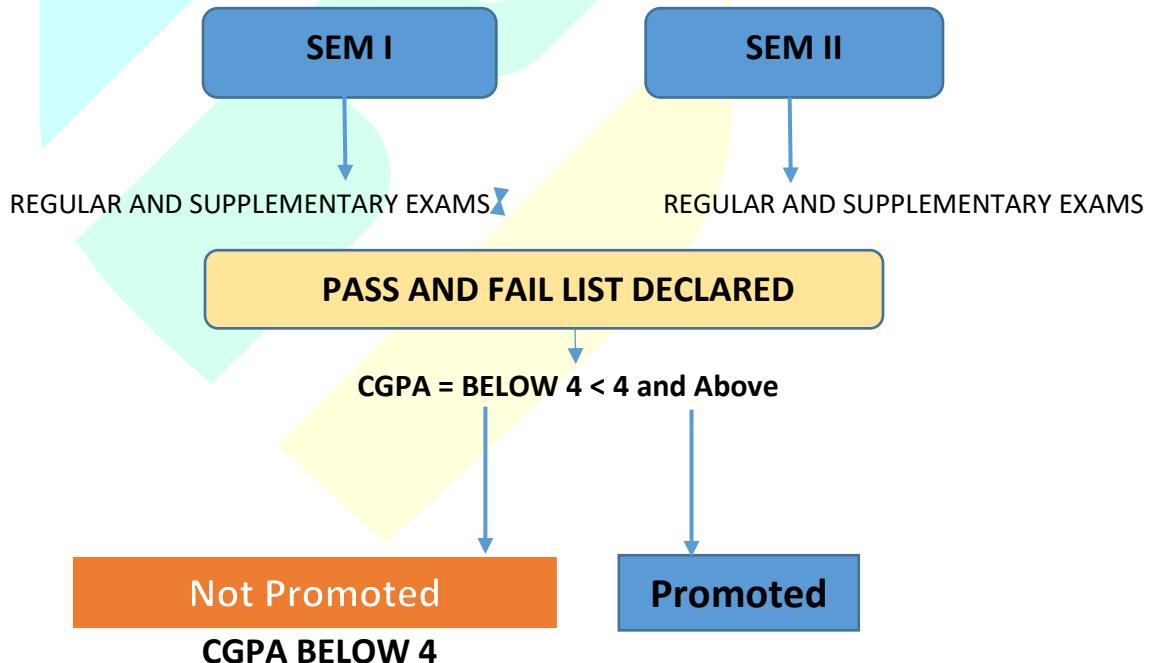

20. Grading Policy for Supplementary and Backlog Exams:

Scale Down Policy:

- Students appearing for supplementary and backlog exams will be subject to a scale-down policy. As per this policy, they will not be eligible to receive grades A or A+.
- Subjects cleared through Supplementary, Backlog, or Special Examinations will be specifically marked with special symbols or notations on the marksheets.
- **Supplementary and Backlog grades do not include marks from Concurrent Evaluation or Practical components.**
- The final grade is based solely on the marks scored in the examination.

21. PASS AND PROMOTION POLICY:

❖ FIRST YEAR:

Promoted:

The student having CGPA equal to or more than 4 would be promoted to Second Year along with Backlogs (but marked as 'Fail').

Not Promoted and Student Registration:

The student having CGPA less than 4 would be **not be promoted** and would have to **repeat the year**.

The Promotion List and the Process to follow further will be informed after Semester II results are declared around in July.

❖ SECOND YEAR:

The student having CGPA less than 4 in Second Year would have 'YEAR BACK'.

They should clear the Backlog Courses of First and raise above CGPA 4 to be eligible for Third Year.

❖ **THIRD YEAR:**

THE STUDENTS SHOULD CLEAR ALL THE BACKLOG SUBJECTS OF SECOND YEAR TO BE ELIGIBLE FOR FOURTH YEAR.

22. Examination Cell: Document Access and Procedures

COE, DYPIU.

Important Notes:

1. All information regarding Examinations and related activities will be communicated only through your official email ID. Therefore, it is mandatory for students to ensure that their official university email ID is active and functional at all times.
2. If you are not receiving emails from any department or section, it is your responsibility to immediately contact the Systems Department and resolve the issue. The University will not be held responsible for any loss of information due to reasons such as:
 - Not checking emails regularly
 - Inactive or non-functional email ID
 - Internet connectivity issues
 - Missed notifications regarding results, registration forms, or deadlines
3. No requests for re-sending information or reopening missed deadlines will be entertained. Do not request or pressure any Faculty or Staff to accommodate such exceptions.
4. This Handbook outlines the Standard Operating Procedures (SOPs) and is intended to familiarize students with the institutional processes. However, the University reserves the right to add, modify, or remove any policies at any time based on academic needs or administrative urgencies. All such updates will also be communicated through official email.
5. Always remember that **all the Examination policies and procedures are designed for the benefit of students**. We are committed to maintaining high standards of academic quality, and this requires **strict discipline and adherence to the defined guidelines**.
6. **Any form of misbehavior, misconduct, or non-compliance with the rules will not be tolerated**. Such actions will be subject to **strict disciplinary measures**, which may include **suspension or expulsion** from the University, depending on the severity of the violation.
